

Reynolds High School

LIVING HISTORY DAY

November 8, 2013

Veterans:

The students of Reynolds High School want to invite you to our annual Living History Day. Last year we had over 400 veterans participate in this day of honor. Veterans from all branches and eras of the military are welcome.

- Students and staff dedicate countless hours to decorating our school for this great event. Decorations include 150 flags lining our grounds, historic military vehicles lining our front walk, and a school that is covered in red, white, and blue decorations to honor each of you.
- Veterans will be served a continental breakfast and lunch while at Reynolds High School.
- Opportunities to speak to students in classrooms will be given to any veteran who wishes to share their experience.
- Military displays and vehicles are welcome but please include this desire when contacting Reynolds High School.
- The day will conclude with a large Assembly of Honor complete with student performances, recognitions, and entertainment.
- Spouses of veterans are welcome to attend.

If you would like to attend please contact:
