Reynolds High & CAL

Cascade Academy  
Foundation

# What is the Cascade Academy Foundation?

The CAF organization is a group of business partners that volunteer throughout the year to support hands-on opportunities for students such as summer internships and work preparedness activities.

CAF partners with business and education to help prepare our emerging workforce for success in the future.

## Why Should You Participate in These Opportunities?

**Because you are the only ones who can.** If you are enrolled in the courses at RHS that work directly with businesses in the community, you will be mentored to take advantage of various activities such as resume building, mock interviews, and internships.

**Secondly,** why not get the tools you will need to give you a **head start in the World of Business?**

**Why not** participate in activities that will help you obtain **scholarships & college entrance?**

**Third, it is unique.** Very few programs offer opportunities for high school students to get real practice in the workplace.

**Fourth, develop Skills** to make you successful in the workplace:

- ✓ Communication
- ✓ Teamwork
- ✓ Leadership
- ✓ Problem-solving
- ✓ Decision-making
- ✓ Assertiveness & Self confidence
- ✓ Build relationships

**Fifth, meet the businesses in the community that work with RHS and CAL.**

You will have the opportunity to work side-by-side with mentors in various departments within each of these companies.
